

# Connect Group Team Lead: Check-Ins

## Questions to ask yourself:

- Did I connect with each of my Connect Group Leaders at least once in the last week?
- Did I pray over each of my Connect Group Leaders this week?
- Are there any wins from groups I oversee that I can tell my Connect Group Coach about?
- Are there any challenges or trends from the groups I oversee that I need to tell my Connect Group Coach about?
- Did I make myself available to connect with Connect Group Leaders on Sunday?
- Which of my Connect Group Leaders can I meet up with for coffee or a meal?

## Questions to ask your Connect Group Leaders:

- How are you doing?
- Are there any stand-out issues that I can assist you with or pray over?
- Is there anything going on in your groups I need to know about? (illness, transitions)
- How has attendance been in your group?
- Does your group feel strong in encouragement, Scripture, prayer, and next steps? (If any of the areas feel like they have room for improvement: brainstorm some ideas on how to grow, together!)
